

A New Direction

Looking for beauty in the darkness of night

The Electric Spring

While school winds down in March, Mother Nature is at her busiest. Bringing new green and blossoms to prepare the for the beginning of new things that comes with the arrival of April. I love this turn over period and to me it feels sort of electric. Buzzing with life. It also brings in sea fireflies, or umihotaru in Japanese, pictured here.

Settings: ISO 1250 f/2 8秒 Camera: Sony A7R4 + Sony 35mm GM

Trevor Williams was born and raised in Vancouver, Canada where he married his Japanese wife. Looking for a change of pace, he moved to Okayama, Japan in 2001 where he has lived ever since. He is currently working as a photographer shooting mostly lifestyle and a wide range of other assignments. He spends his spare time photographing the night.
